If the future of cinema is “Dungeons & Dragons: Honor Among Thieves,” our destiny looks bleak. Not that the latest cinematic adaptation of the half-century-old role-playing board game is that bad. But it’s not that good either. It’s so conscientiously self-deprecating and audience-pleasingly bland that it feels like the first movie written and directed by ChatGPT. Of course, “D&D,” as fans call it, was made by real people. Actors Chris Pine, Michelle Rodriguez and Hugh Grant do, of course, exist, as do directors John Francis Daley and Jonathan Goldstein, who co-wrote “Spider-Man: Homecoming” and co-directed “Game Night.” Still, “Dungeons & Dragons: Honor Among Thieves” feels like Daley and Goldstein, who also co-wrote with Michael Gilio, asked ChatGPT, the artificial intelligence chatbot developed by OpenAI: “Write a Marvel movie except with ‘Dungeons & Dragons’ characters.” Seconds later, this spit out. In spite of a rocky first third, Dungeons & Dragons: Honor Among Thieves is a delightful, if slightly unsurprising, swords and sorcery film that balances the goofball antics of playing tabletop role-playing games and focused storytelling without sacrificing approachability. It follows a rag-tag group of adventurers who spend a little too long on their traumatic backstories as they attempt to right the wrongs of their past. Sort of. That’s kind of incidental, really. Despite all the marketing about saving a world from evil and fighting epic battles, this is the story of a family struggling to stay together, about a dad and his platonic life partner trying to get back to their kid. It’s a rough start for Chris Pine’s Edgin and Michelle Rodriguez’ Holga. After spending two years in a panopticon-like ice prison, they finally escape, only to return home and find Edgin’s child, Kira—whom Holga also considers a daughter—missing. As Edgin and Holga trudge from classic Faerun locale to locale with little to no fanfare (but with a good amount of scenic shots) they fail to find their kid. When they finally track Kira down, she’s in the clutches of the double-crossing rogue, Forge (Hugh Grant), and an old enemy.
